

Ski Museum of Maine

Preserving Maine's Skiing Heritage

Membership ~ Please join ~

The museum in our new Kingfield location continues to generate excitement and we love the expanded exhibit space. We want to continue to offer the opportunity for others to take a first-hand look at our skiing history and to experience our outreach programs, and we are very grateful to all of you who have contributed in so many different ways.

Your membership will help us to continue to preserve and display the wonderful history that we all have to share. Please take a few moments and join or renew your membership today. The Museum membership year is from January 1—December 31.
